The tables within this report display election results broken down by Wards within the City of Lewiston, Maine.

The heading "C-V" under the Ward and Precinct titles indicates CENTRAL VOTING which is a category designated for the tabulation of absentee ballots, and ballots cast by newly registered voters registering the day before or voters with address changes occurring the day before the election.

A list of Wards eligible to vote for a particular office appears next to each office heading. Wards showing a zero vote count for any office were most probably not eligible to vote for that particular office, or no candidate for that office was on the ballot.
